Mixed Vegetables Largest Movement In Glades Areas

With a total movement of 21 carlots for the week, mixed vegetables topped the sales of the Lake area, with beans a close second for 19 carlots.

Celery, escarole, radishes, corn followed in that order. Prices generally are higher than as the cold weather shifts off the supplies from points north.

Job and Worker

By J. W. Mosley, Jr., Representative Florida State Employment Service

After a lull of about a week and a half, bean harvest activity picked up considerably during the past two or three days. Efforts to bring in bean harvest crews from the East Coast on a day had basic have not met with too much success because there is considerable activity on the farms during the range line. It has been reported that the bean price at the Pompano market has been good. Normally, 15 to 20 crews of bean pickers are available from the East Coast at this time of year.

There appears to be an unprecedented number of packing house workers in the area with not enough work to go around. Employers report a large number of applicants seeking job in almost any category. Unfortunately, most of these packing house workers are not qualified for jobs other than that.

Housing is a major problem in this area. Large numbers of harvest hands are presently crowded in the Southeastern States and are ready to come to this area. However, lack of adequate housing is preventing their movement.

Celery harvest has just started and is expected to get into full swing within a week or two. Corn harvest is steady, price good. There is apparently an ample supply of harvest workers in this fall crop. There continues to be a good (Continued on Page Eight)

Firefighters Told That Prevention Is Most Practical And Effective

Fire Chief Lawrence E. Will and Assistant Chief Carl Bahr attended three days of the fourth day session of the International Association of Fire Chiefs held at Dinner Key Auditorium in Miami. A truly international meeting.

Not only were there chief officers from hundreds of cities in the United States and Canada, but also numerous countries of Europe, Africa, South America, Mexico and many islands of the West Indies. The chief from Tokyo, Japan probably had traveled farthest to attend.

Treated speeches and panel discussions were presented by leading fire chiefs and representatives of the National Board of Fire Underwriters, National Fire Protection Association and other organizations. The extinguishing of fires was hardly touched on. The emphasis was principally on methods of prevention of fires and the consequent loss of lives and property. Under this head Chief Edward Conners of New York City recounted the astounding results from his house to house inspection made by firemen on duty. Before this year had reached the total of \$6,000 per year. At the rate of increase, it was estimated that for the year 1956, fire alarm would reach about \$3,000. (Continued on Page Seven)

An Education And A Profession Free For Six Florida Vacancies

Congressman Paul G. Rogers stated today that he would be glad to hear from any qualified young man in his District who is interested in applying for a nomination to compete for the vacancies to the Merchant Marine Academy, Kings Point, New York, for 1957. The U. S. Merchant Marine Academy, an accredited institution, offers a four-year course at college level to a License as U. S. Merchant Marine Officer as either 2nd Mate or 3rd Assistant Engineer and Bachelor of Science Degree. Qualified graduates may be commissioned Ensigns in the U. S. Naval Reserve.

Basic qualifications for entry are: Not less than 17 and not yet 22 years of age by July 1st; male citizen of the United States, native born or naturalized; never have been married; present the equivalent of a good high school education consisting of at least 15 units credit; and in good physical condition.

Congressman Rogers urged any young men in his District possessing these qualifications who are interested in the Merchant Marine Academy, to contact him as soon as possible. Each applicant will be required to take a physical examination at a government examination center near his home, and if he passes the examination, he will receive a nomination. He will then be directed to take the College Entrance Examination Board tests during March, competing with the other nominees from the State of Florida. Six vacancies for Florida are to be filled for 1957.

Roberts Invited To Migrant Labor National Meeting

Representative Emmett Roberts has received an invitation from Labor Secretary James Mitchell to attend a two-day conference on Migrant Farm Labor in Washington, D. C. on December 11th and 12th.

The Labor Secretary is Chairman of the President's Commission on Migrant Labor and is calling the conference. He is State Chairman of twenty states.

Representative Roberts is Chairman of the Florida Committee to study migratory farm labor and has held hearings throughout the State. There continues to be a good (Continued on Page Eight)

Fla. National Group Submits Low Bid On Improvement Issues

The Florida National Bank group through the organization Jacksonville office, submitted the low bid Monday for \$750,000 of Palm Beach County certificates of indebtedness which will be used to finance construction of a new county children's home and other capital improvements.

The Florida group submitted low interest bid of 2.50 per cent. The First National Bank of Palm Beach, the other bidder on the issue, offered an interest rate of 2.75 per cent. Others bids received by the county commission Monday included two for the sale of the former county barn site at Belle Glade. High bidder on the land was R. L. Murray with a price of \$2,650 and low bidder was J. R. Faulk with a price of \$2,325.00. Appraised value of the land was \$3,500.

Geo. Slaton Appointed Cancer Fund Chairman

By winning this one the Rams wound up their best season since 1944 with 7 wins, 2 losses and one tie. They are now firmly entrenched in a tie with Cleveland for second place in the Sun Coast Conference standings.

Pahoehoe won the toss, received and returned the kickoff to the 30 yard line but failed to gain and punted to Belle Glade 15, where Buckets took the kick and returned to his 21 yard line. The Rams made 9 yards in three plays and Bradcock punted to Pahoehoe 31.

FIESTA!

Your merchants are preparing a two-day Fiesta of parades, clowns, prizes and gifts for both old and young. There will be music, fireworks and SANTA CLAUS. Several bands and fourteen floats, together with other marching units will make up the parade.

Don't forget the date, December 7th and 8th. The local radio station will broadcast the parade, live, and WPTV of West Palm Beach will televise the entire shindig for showing Friday night and Saturday.

Plan to be here and to participate — be sure to see the kids don't miss the parade, the clowns, the bands and the fireworks at night.

Local Garden Clubbers Attend District Meet

Mrs. Ivan Van Horn, Mrs. Herbert Beck and Mrs. Victor Mulberg represented Belle Glade Garden Club at the Tenth District Conservation Conference in the Mounts Building, West Palm Beach last Friday.

W. Turner Wallis outlined to the ladies the very effective work and plans for conservation in the Central and South Florida Fish Control District Association and other organizations.

Luther Jones outlined the importance of the Fish Control program to "city folks" as well as the farmer. He detailed the use of water by the farmers in the mucklands and emphasized the effective conservation of water in the works of the C. & S. S. F. A. Mr. Wallace, District Conservation Officer of the State Fish and Wildlife department's use of the Palm Beach County Conservation Area and the planned use of the other two conservation areas. More than fifty delegates attended the conference from the lower east coast of Florida.

Blue Devils Victims In Rams' 14-0 Tie Win For Conference 2nd Place

The intense rivalry, which has usually characterized the Belle Glade-Pahoehoe gridiron battles during the past few years, last night as the Rams handily whipped the Blue Devils 14-0. Very calmly and with considerable poise Belle Glade took complete charge early in the first quarter and never gave Pahoehoe a reasonable chance.

The game had its share of spectator thrills, good football, and a minimum of penalties. By winning this one the Rams wound up their best season since 1944 with 7 wins, 2 losses and one tie. They are now firmly entrenched in a tie with Cleveland for second place in the Sun Coast Conference standings.

Pahoehoe won the toss, received and returned the kickoff to the 30 yard line but failed to gain and punted to Belle Glade 15, where Buckets took the kick and returned to his 21 yard line. The Rams made 9 yards in three plays and Bradcock punted to Pahoehoe 31.

Legion Auxiliary Gets Plan For Clothing For Hungarian Refugees

The local American Legion Auxiliary, according to Mrs. Davis Kiecklifter, president has devised a special emergency message from National Headquarters on Child Welfare, it reads:

"We have a desperate plea from Save Children Federation for clothing for Hungarian refugees who are now crossing over into Austria. Will you please collect throughout your department as much clothing as possible. Any amount will be appreciated in this desperate plea."

Urgently needed are good used clothing for children, babies and adults and practical shoes are badly needed.

If you can help out in supplying clothing to these unfortunate people contact the local child welfare chairman, Mrs. Davis Kiecklifter, or Mrs. Davis Kiecklifter at WY 6-3456 or Mrs. Davis Kiecklifter who they will pick up the clothing.

New Hardware Store Opens Doors Today

Holiday Surface Mail Schedule

Surface Christmas mails destined for civilians in Alaska, Hawaii and Puerto Rico should be mailed by postal patrons by very early December, Postmaster General Arthur E. Summerfield said today.

This is necessary, he explained, because of available ship schedules from the port of dispatch, as well as possible delays due to bad weather frequently encountered at this time of year.

Mr. Summerfield urged postal patrons to send holiday surface mails for Alaska and Hawaii according to the following schedules: residents of the Eastern and Central time zones, not later than December 1, 1956; Mountain time zone, not later than December 3, 1956; Pacific time zone, not later than December 4, 1956. Mail for Puerto Rico should be sent by December 3, 1956.

These, of course, are deadline schedules. Mr. Summerfield pointed out. Postal patrons are being advised that even earlier mailings will be an aid to the postal service, as well as provide an additional measure of insurance of delivery by Christmas.

GIRL SCOUT NEWS

The Third Grade Brownies held their regular meeting at the scout hut Friday afternoon with leaders, Mrs. George LeGost and Mrs. J. B. Jones. Eight girls were invested for the second year. They were Cheryl Knight, Joyce Kirchman, Jill Chapman, Dorene Fleish, Debbie Jones, Barbara LeGost, Debbie Mikawoy and Ruthella Uppide.

The group made turkeys out of potatoes for Thanksgiving decorations.

Jay-C-Ettes Sponsor Two Annual Projects

The Jay-C-Ettes at their regular meeting voted to give a \$25 bond to the most outstanding graduating Home Ec student and to help support a child at the Methodist Children's Home. They plan to make these, the organization's annual projects.

The group met at the home of Mrs. Robert Golden with Mrs. Barnes Smith, president presiding. Mrs. Larry Royal, projects chairman reported that help was given to a needy family through the Jay-C-Ettes last week. Others attending were Mrs. Robert Edens, Mrs. Marlan Chapman, Mrs. Bill Bailey, Mrs. Victor Zawadzki, Mrs. John Kinlaw, Mrs. Robert Mathews and Mrs. Wilford Markham.

"TOO LATE TO CLASSIFY"

By Russell Kay
Reviewing the outcome of the election, Florida Democratic leaders may well stop and count their change. Voters, regardless of their party affiliations, have made it plain that they will vote as they choose and will not be influenced by demands of so-called party loyalty.

Party harmony and unity as far as leaders went had little effect on the voters and you can put it down in the book that that it was the voters of registered Democrats that kept Florida in the Republican column and helped return Ike to the White House and Congressmen Cramer to Washington.

It was a case of "all the king's horses and all the king's men not being able to put Humpty Dumpty together again" for certainly the biggest guns the party could muster were brought into play but no avail. Even with Holland,

Smathers, Pepper, Collins, his cabinet, every living ex-governor and countless other "Good Democrats" campaigning for the "ticket" voters were unimpressed and proceeded to stray off the reservation in greater numbers than ever before.

If there was any question as to Florida's now being a two-party state it was dispelled when votes were tabulated. Heartened by results four years ago Republicans actively entered the campaign this year.

While they did not set the world on fire, they certainly made an excellent showing and had Democratic opponents hanging on the ropes and reaching for the aspirin and asking themselves, "What happen?"

The people of Florida and the nation voted for Ike because they really "like" him. He is the kind of man they want in the White House and they decided to keep him there.

If the Democratic party had been able to come up with a candidate with more to offer the public viewpoint I am satisfied such a man would have been elected, not because he carried the Democratic label but because the people wanted him.

The Democratic party has drifted away from the principles championed by its founders. It is no longer the democracy of Jefferson, Jackson, Cleveland and Wilson. Governor Stevenson gave the people no evidence that if elected he would make any effort to return to the true Democratic course. In short the Democratic candidate was weighed in the balance of public opinion and found wanting.

On the other hand they re-

turned a Republican to Washington from the First Congressional District because they liked the way he performed while there and felt they were better off keeping him there. The heavy Republican vote for Arnold Lund in the Fifth District indicates that the people of that area were not too well satisfied with the man they had and although the outcome is still in doubt as this is written, results are so close that it is a toss-up who will win.

Labor leaders didn't stack up much better than political leaders when it came to keeping their people in line. Labor went all out for Stevenson and like the political leaders they are still "out." It's a great country and a great people and now the shouting is over we can all go marching on as good Americans.

CAUTION!

Shooting at electric insulators can cause serious service interruptions in our hospitals and schools—and any number of other emergency situations—in our factories, offices and homes. It can cause woods and brush fires, too. So please,

**DON'T SHOOT AT
ELECTRIC INSULATORS!**

Thanks a lot...

Recreational Boating Hearing Held In Miami

Congressman Paul G. Rogers has been advised by the chairman of the Committee on Merchant Marine and Fisheries Committee, House of Representatives, that hearings will be held in Miami on December 6 and 7 in connection with their comprehensive study of recreational boating safety. The meeting will be held in the Miami-Dade County Chamber of Commerce Conference Room, 141 NE 3rd Avenue, Miami.

The Bonner Committee has held hearings in various cities of the United States and has heard testimony from about 200 witnesses relative to the problems which have arisen on the waters of the United States due to the tremendous recent growth in the numbers of small pleasure craft. The study is being made by the Committee as the result of a request from the National Association of Engine and Boat Manufacturers and the Outboard Boating Club of America last May.

Beekeepers Of S. Florida Meet Here

FORMER STATE HONEY QUEEN, Mrs. Harold Tedder helps serve Nell Dubois, of West Palm Beach, president of S. Florida Beekeepers Assn., (right) and Millard Cogshall, Minnola, president of Florida State Beekeepers Assn. at an all day meeting here, Sunday.

Millard Cogshall, president of the Florida State Beekeepers Assn., of Minnola, Fla., was the guest speaker at the meeting of the South Florida Beekeepers Assn., held Sunday at the Municipal Park here.

Approximately 50 persons attended the all day meet and enjoyed a buffet spread lunch in the park shelter at noon.

The newly elected state queen, Mrs. Harold Tedder, the former Betty Ann Markham, Honey Queen for 1956 and her husband, Mr. Tedder, were special guests.

The welcome address was given by Belle Glade's Mayor, C. T. Ingram and the blessing by Rev. W. M. Malcom, pastor of the first Baptist Church Belle Glade.

Following the luncheon a business session was conducted and at that time Mr. Cogshall gave an interesting report on the state meeting held recently at Clearwater. Mr. Ralph Wadlow, past president of the Association also gave a brief talk on the state meet.

The group discussed plans for holding an institution for Beekeepers to be held at a 4-H Camp in Ocala and the February meeting which is to be held in Delray Beach with Sam Hatcher as host to the group.

That spokesman for boating organizations, State or municipal officials, or other persons who may have constructive views on the subject of pleasure boating safety in his District should let him know if they wish to appear before the Committee, or submit testimony so that arrangements might be made with the Chief Counsel of the Committee.

Mr. Rogers stated that the hearings on recreational boating safety were not connected with recent hearings held at the Coast Guard on Public Law 819, enacted by the 84th Congress, providing for safety regulations for boats that carry passengers for hire.

Advisory Groups To Evaluate Migrant Education Program

Advisory groups for the Pilot Project in the education of the Glades area met with Dr. Hazen A. Curtis, consultant from FSU last Thursday and Friday here.

The committees composed of teachers and principals from Pahokee, Belle Glade, South Bay and Lake Harbor schools met under the supervision of Miss Elizabeth Sutton director of Pilot Project in the Glades area.

Plans were made for the final evaluation of the three year Pilot Program, on which a report will be given at the December meeting to be held at the Pahokee Elementary School.

Teachers are beginning to take note of the excellent teaching devices in education of the migratory children who come late and leave early," Miss Sutton stated. She further added that that Palm Beach County is receiving much attention on its program of improving migrant education through the Pilot Project and forms stating how the problems are being dealt with will be of assistance to other cities in the United States that have the same problems.

Three committees were appointed to outline plans for the evaluation of the program.

Mrs. C. J. Aspey and Mrs. Della Altman are general chairmen in charge of plant and Christmas corsege sale. Mrs. Warren Beganz will be in charge of the tea.

Members met for a work meeting in the Municipal Park Shelter Monday and a number of corseges and wreaths were made which will be for sale.

WMU Of Lake Harbor Baptist Church Meet

The regular monthly meeting of the Women's Missionary Union was held Nov. 15th at the First Baptist Church.

The Royal Service Program was given, the theme being "Joy from the Wells of Salvation," Mrs. J. E. Hester was

in charge of the program. Seven members were present. Refreshments were served by Mrs. J. D. Johnson and Mrs. J. E. Hester to the following: Mrs. Jim Walls, Mrs. David Brantley, Mrs. Lloyd McKinley and Mrs. Jake Newman.

Guests present were Mrs. C. C. Daniels, Mrs. George Stanley, Mrs. Harold Brunson and Mrs. H. C. Post.

CHURCHES OF CHRIST, SCIENTIST

The inability of evil to withstand spiritual understanding of the Christ, Truth, will be brought out at Christian Science services Sunday.

Scriptural selections in the Lesson-Sermon entitled, "Ancient and Modern Necromancy, alias Mesmerism and Hypnotism, Denounced" will include

the following (Philippians 2:5, 13): "Let this mind be in you, which was also in Christ Jesus... For it is God which worketh in you both to will and to do of his good pleasure."

From Science and Health with Key to Scriptures by Mary Baker Eddy will be read the following (287:27): "The five material senses testify to truth and error as united in a mind both good and evil. Their false evidence will finally yield to Truth, — to the recognition of Spirit and of the spiritual creation."

The Golden Text is from III John (1:11): "Beloved, follow not that which is evil, but that which is good."

Guido To Have Supper And Bazaar On Dec. 15

Members of St. Elizabeth's Guild of St. John the Apostle Episcopal Church met at the home of Mrs. Harold Zumpf. The group voted to have a chili supper and bazaar corner at the church on Dec. 15. Tickets for the supper will be \$1.25 for adults and 75c for children. They also decided to give filled Christmas stockings to members of the Sunday School Class and to have a pot luck supper at the annual meeting of the church at 6:00 p. m. on Dec. 2.

Mrs. Roberts, U.T.O. Chair-

man announced the fall gathering of the United Church Offering. A letter was read from Bishop Moses, new Suffragan Bishop, thanking the Guild for donation.

Mrs. Thomas Bregger, ways and means chairman, announced a rummage sale Nov. 24 at the Kwik Check parking lot. Mrs. G. R. Townsend presided at the meeting which was attended by Mrs. B. E. Weeks, Mrs. Rhudy Faulk, Mrs. Ned Ayers, Mrs. Bert Hopsion, Mrs. Tom Chappell, Mrs. Sam Lovell, Mrs. Douglas Matthews, Mrs. Ed Lively, Mrs. Mary McGraw, Mrs. James Finan, Mrs. Bregger and Mrs. Roberts.

Youth And The Alcohol Problem

The Senior Methodist Youth Fellowship have launched a fall action program. They have planned an extensive study centered around "Youth and the Alcohol Problem." During the month of December such as the following topics will be considered: Physical Aspects of Alcohol, Social Aspects of Alcohol and Spiritual Aspects of Alcohol. A vital phase of the program will consist of showing the motion picture "Far From Alone" to the student body of the Belle Glade High School. Literature will be distributed and several young people are to speak

briefly on some alcoholic issue that vitally concerns them.

Nov. 25 at the Senior Methodist Youth Fellowship meeting, 6:30 p. m. Dr. J. Allen Baker will speak on "The Physical Aspects of Alcohol." There will be special music by the Girls Trio.

Rev. H. E. Garrett's sermon topic for Sunday morning at the Community Methodist Church will be "The Long Trail." The Chancel Choir will sing.

At the evening service the pastor will speak on "Life Can Be Beautiful" with the Lyra Chorus furnishing the music.

November 25 is membership Sunday in our church. All those who plan to join the church next Sunday are asked to meet with the pastor Sunday morning at 10:30 in the church office.

Thursday: "Child... and Enemy of God"
Friday: "He Understands Us"

World Wide Bible Reading Program

The World-wide Bible Reading Program directed by the American Bible Society is to be observed for the thirteenth time beginning Thanksgiving and continuing through Christmas. The purpose of this program is to let the Bible speak to people today. Everyone is encouraged to set aside a definite time for reading his Bible. A special radio program will be broadcast each week from Thanksgiving to Christmas on Wednesday a. m. from 10 to 10:45. The local newspaper will carry on the Church page a listing of the Daily Bible Readings for each week.

If the people of our community participate in this Bible Reading schedule, the Bible will become a greater fountainhead of spiritual renewal and a sure guide for Christian living. Its truths and teachings form the very center of creative personal and community living. Through the program families and individuals will find new spiritual sustenance and a greater happiness that comes with a stronger and more enlightening understanding of the Christian message.

Rev. Cooper Reports On Convention Highlights

Rev. John Cooper, pastor of the South Baptist Church gave the highlights of the Florida Baptist Convention which was held in Orlando last week, to the congregation.

Mr. Cooper stated that the climax of the convention was the address of Gov. Gary of Oklahoma. The Governor told the convention "If our nation is to remain the great world leader then it must have Christian leadership. Christians are going to have to be statesmen and deal with the affairs of State. Church leaders must encourage their laymen to enter the political arena and then support them once there."

The brotherhood of the Church met Tuesday night for a dinner meeting. The guest speaker was Rev. David Brantley the new pastor of the First Baptist Church, Lake Harbor.

The group enjoyed the dinner menu which included barbecued chicken and a variety of home grown vegetables.

News Of Everglades Presbyterian Church

Dr. J. Leighton Scott, pastor of the Everglades Presbyterian Church will speak at the morning service Sunday, Nov. 25

on "Christian and His Habits" and in the evening his subject will be "The Way to Certainty," a study of Psalm 73.

Following the morning service a congregational meeting will be held to elect additional deacons. Members of the Board of Deacons are elected for a term of three years. Two members of this board have recently been elected elders of the congregation.

The Men's Fellowship supper and program will be held Tuesday evening at 7 o'clock with R. H. Lewis president, presiding.

South Bay Baptists Against Sunday Sale Alcoholic Beverages

The members of First Baptist Church of South Bay have gone on record as being against the sale of all Alcoholic Beverages on Sunday.

Members are meeting in special prayer services following the evening prayer service on Sunday nights. Petitions requesting that all requests to permit such sales be denied are being circulated and will be presented to the City Council at the next meeting.

Rev. Cooper informed the membership that since they constituted the only Church, that the burden of preventing the Sunday Sales would fall on their shoulders. Mr. Cooper further stated that it is not very likely that anyone who patronized a bar, saloon or beer joint would oppose them in their efforts.

Any registered voter, living in South Bay desiring to sign a petition requesting the Council not to permit Sunday Sales is asked to call Rev. Cooper.

Lest We Forget

Following prayer found on a dying soldier, on top of Old Baldy in Korea, was this: "Bless this bunker, snug and small. Bless this roof, and every wall. Bless the earth, wherever we lie. Let us know, that you are nigh. Let thy love, around here in. Help us all our battles win. Guard us Faith, while we fight. To keep the lamps of freedom bright. Lead us safely, through this Hell. Of no-man's land, shot and shell. And speed the day, that we may see Again the land of Liberty."

Let it be thy will, "Oh God" To take us back to native soil To our loved ones, who know and pray and yearn For our swift and safe return.

And when at least the guns are still Let there reign, peace and good-will So that our sons must fight no more On a strange and hostile shore. AMEN.

Read John 13:31-35

Herein is my Father glorified, that ye bear much fruit; so shall ye be my disciples. (John 15:8)

If one wants the benefits of a saving account in the bank, he must make a deposit. It means sacrifice, but it insures a return with interest.

Dr. Stuart Holding reports the following experience as told by a soldier. "There was a private in our company who was a devout Christian. One night he came in tired, wet, and muddy. Before getting into bed, he knelt down to pray. I picked up his reply to my persecution. It broke my heart. That day I accepted Christ as my Saviour."

Discipleship cost the private something but it paid dividends. The Christian disciple does have to pay something if he is loyal to his convictions. But the joy of service rendered will more than compensate for the price paid.

PRAYER

We desire, O Lord, to be Thy disciples, cost what it may. We believe the reward outweighs the cost for discipleship qualifies us for divine fellowship. Teach us to be faithful, fruitful disciples. In Christ's name. Amen.

THOUGHT FOR THE DAY

"If ye continue in my word, then are ye my disciples indeed."

Raymond L. Archer (Malaya)

THE POWER OF PRAYER

The day was long, the burden I had borne Seemed heavier than I could longer bear. And then it lifted—but I did not know Someone had knelt in prayer. Had taken me to God that very hour. And asked the easing of the load, and He, In infinite compassion, had stooped down And taken it from me."

We cannot tell how often as we pray For some bewildered one, hurt and distressed, The answer comes, but many times those hearts Find sudden peace and rest. Someone had prayed, and Faith a reaching hand,

"During the 1955-56 growing season I used DITHANE M-22 exclusively on over 1000 acres of tomatoes. Disease control was excellent... In spite of generally poor growing conditions my overall average yield was 350 field boxes per acre, which was highly satisfactory under the year's conditions."

JOHN W. CAMPBELL, John W. Campbell Farms Co., Gault, Florida

"We have used Dithane on tomatoes and several other crops... more than 10 years... For our last three tomato crops we have used a lot of Dithane M-22 and are very pleased with the disease control it gave us. Fruit quality has been superior, and all things considered, I believe Dithane M-22 is the outstanding tomato fungicide available today."

LOYD D. WITT, Witt Bros., Fort Pierce, Florida

There's no argument anywhere about the value of DITHANE M-22 for overall tomato disease control. About the only difference is that some prefer spray powder—others blended dusts available from your local dealer. Either way, this much fungicide helps you get lush, rich green foliage and outstanding yields.

Growers like DITHANE M-22 ...tomato diseases don't

Here...
you'll find a Faith
to live by...

It's quiet inside. Quiet with the peace of centuries, for this is God's House.

Within these walls, the worries which loomed so large outside become less fearsome... for the first time perhaps you see them in their true perspective. If this alone were the reward of Faith, it would be enough. But there is more.

Faith is a source of strength, a reservoir of power that helps you meet the needs of every day. By worshipping with your family each week at your church or synagogue, you're giving them a measure of security no amount of money could buy. The Faith to hope... to grow... to live by.

Build a stronger, richer life...
Worship together every week

FIREFIGHTERS TOLD

(Continue from page One)
stead, they had dropped to an estimated 43,000. Not only that, but the loss of life from fires was lowered comparatively.

As in our town, Herosee stoves in the slum district had been the principal cause of fires and deaths. Two years ago these fires in the Harlem and Bronx districts had caused 28 fire deaths. After the inspec-

tion and educational campaign by firemen speaking Spanish or other languages in use in each district, the deaths from stoves dropped to only four.

Planning for major disasters and mutual aid were discussed. Chief Tom Collins of New Haven, Connecticut dramatically recounted the effects of the New England hurricanes and floods, and the Titanic but coordinated movements of relief forces led by firemen both paid and volunteer. Motion pictures of these forces in action highlighted the talk.

Miami's new system of emergency telephones placed near each traffic and blinker light by which the public may call for a fire or police emergency was explained, as was also the system of fire telegraph pull boxes which they had replaced.

Since 900,000 volunteer firemen protect as much of the public's lives and property as do all the paid fire departments, discussion of their methods and problems was discussed by outstanding volunteer chiefs.

A most colorful ceremony Tuesday morning was the introduction of Fire Officers from foreign countries, which was televised. Each officer was accompanied by the flag of his country. As most of the Latin Americans were attired in colorful uniforms it made an impressive picture.

Most educational was the array of commercial exhibits in the hall. These included not only pumps and aerials but also extinguishers, chemicals, communication devices, uniforms, and almost anything used by fire fighters. The Florida Fire Institute was represented by a scale model of the grounds and buildings of the college made by our former assistant chief, now an instructor in the Fire College, Bob Bair.

Our local fire fighters returned feeling well repaid for their trip and inspired by the high level discussions of problems of the fire service and enlightened on new developments in equipment and methods of preventing and controlling our greatest potential enemy — fire.

Everything's New including the View

in each '57 Buick—SPECIAL, CENTURY, SUPER, ROADMASTER

WHEN we tell you the 1957 Buick is new, we're not kidding.

Because we don't mean just new this or new that. We mean new everything.

We mean everything you can't see, as well as everything you can.

And even the "seeing" is new from both the front seat and the rear seat—for the new, wider, rakishly angled panoramic windshield with its 200 more square inches of glass area widens the forward view of all passengers.

Take other examples.

Its styling is new. Never before have you seen a Buick like this one—sleek and stunning, and low as a cat-crouch.

Its engine is new. Never has any Buick boasted so big, so powerful, so obedient an engine as the purring V8 engine that gingers every '57 Buick.

Its performance is new—and right here

we mean new like nothing else you ever experienced before.

For now, with Buick's new record horsepower, there's a new advanced Variable Pitch Dynaflo® that's so instant in action, so vividly responsive, so smooth and flexible and full-torque throughout the entire "Drive" range—the need for "Low" is virtually eliminated.

But there's even more than all this to the newness of every '57 Buick—SPECIAL, CENTURY, SUPER and ROADMASTER.

There's a completely new chassis that gives the car the lowest center of gravity in Buick history—for a steadier, safer ride. And a new kind of ball-joint suspension for surer handling, safer cornering, and a wonderful new leopoldized braking.

There are safety features galore—new safety-padded instrument panel, new dip-center safety steering wheel, new controls recessed out of harm's way—even an ingenious new Safety-Minder® that lets you know when you reach the miles-per-hour you've preset for yourself.

Of course, the only way to get the whole, new wonderful story is to take the wheel and let this big new car do its own talking.

And that's something we'll be most happy to arrange first chance you get. Come in today.

*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick build today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special. Safety-Minder standard on Roadmaster, optional other Series.

Florida Banks High In Aviation Industry

One hundred forty-three airports currently serve the aviation industry in Florida, according to this week's State Chamber of Commerce business review, issued at Jacksonville. Eighty-eight of these airports provide top facilities, it was disclosed; the remainder are maintained for limited services.

A number of civil aircraft in the state by the end of 1955 had reached a high of 2,458, ranking the state ninth in this category. Active pilots number, and housing conditions.

James L. Latham, Jr., who holds a B.S. Degree in Agriculture from the University of Florida, will become associated with this office on December 1st of this year. Mr. Latham will work as a Farm Labor Representative.

Meason Kenyon and Foster, Farm Labor Representatives from the State of Missouri, arrived in Belle Glade on Wednesday and toured the Glades growing areas to get a first hand picture of crops, labor and housing conditions.

Mail Early This Christmas Urges Local Postmaster

Postmaster George P. Farnal today urged the citizens of Belle Glade to shop early and mail early this Christmas season to facilitate the processing of the largest Christmas mailing in the history of the local post office.

To put off mailing Christmas cards parcels until the last moment results in an extra burden on the postal employees and on the postal facilities of the local post office, Mr. Farnal pointed out.

Every facility of the local post office will be pressed into maximum service so that again this year, as in the past, the post office will be cleared if possible, of all Christmas mail by Christmas.

There are still some people who retain the mistaken idea that a gift or card arriving on Christmas Eve has a special significance. Postmaster Farnal said, "It is the thought behind the gift or card, not the time of arrival which is the important consideration."

In an appeal to all the citizens of Belle Glade, Postmaster Farnal urged the fine cooperation of past years when record mail loads were processed and delivered on schedule.

By following the simple suggestions of mailing early, writing carefully and addressing plainly, the citizens of Belle Glade will be assured of the safe and timely arrival of their Christmas mail. Postmaster Farnal added.

The Rams threw back several Pahoekes attempts at the line and Cardin was forced to punt in a hurry. Armstrong returned the ball to the Pahoekes and two shots at the line failed and then Burkett took a reverse handoff for 7 yards and the score. Jackson added the point after with a smash off left tackle.

Pahoekes drove for two first downs and then Burkett took a reverse handoff for 7 yards and the score. Jackson added the point after with a smash off left tackle.

After the second half kickoff Pahoekes' punt to the Pahoekes 35 yard line was fumbled and Belle Glade's Dan Jones recovered. A screen pass from Bradstock to Burkett was good for a first down at the Blue Devils' 22. Jackson got a first down on two cracks at the line putting the ball on the eleven and stripes. On fourth down Jackson apparently made the necessary yardage for a first and ten but missed by inches as the third quarter ended.

Pahoekes came swarming back to make its only serious threat and deepest penetration. With Hayes, Meredith, and Cardin running and some smart quarterbacking the Blue Devils moved the ball 79 yards in 82 minutes to the Belle Glade 20 where an offside penalty cut short a determined drive which might have put the entire complexion on an otherwise one-sided contest.

Last week's Herald stated

Intensive Campaign On Brucellosis By Fla. Vet. Association

A concerted campaign to wipe out brucellosis, a cattle and swine disease which can be communicated to humans, is under way in Florida, according to the Florida State Veterinary Medical Association.

In humans, brucellosis generally is called undulant fever. It is contracted by drinking unpasteurized milk from infected cows.

However, pasteurization kills the brucella bacteria, and under modern dairy methods all dairy products, including milk, butter and cheese are pasteurized.

Most effective weapon against brucellosis is vaccination of calves, the FSUMA reports. In addition, all animals in a herd should be checked regularly by a veterinarian and any found to have brucellosis should be slaughtered immediately.

Cooperating in the drive to stamp out brucellosis are the Florida Brucellosis Eradication Committee, Florida Dairy Association, Florida Cattlemen's Association, Florida Swine Producers Association, Florida State Board of Health, State Department of Agriculture, U. S. Department of Agriculture, University of Florida Extension Service, Florida Farm Bureau Federation and the FSUMA.
